A finance settlement letter is required before we can settle your current finance agreement. Please be advised that the payment will be made by Junction 17 to the relevant finance company on the settlement due date. You are advised that if any further repayments are due between the handover date and the settlement date, the direct debit instruction should be left open. Your finance company will advise you when the agreement has been settled in full and will cancel the direct debit and refund any overpayments directly to you.
